THE VA SAID I WAS DEAD AND CUT OFF MY PENSION. CHERI BUSTOS SET THEM STRAIGHT.

I served in the Pacific during World War II, risking my life for my country in the worst hell you could imagine. I didn't do it for honors. I did it because it was the right thing to do.

Last year, my pension check stopped coming. When I called the VA, they said I was dead.

So I called Cheri Bustos. She cut through the red tape and got my pension back.

Cheri doesn't just say she cares about veterans; she backs it up with action.

Cheri's a hard worker, and she gets things done. She was a lifesaver for me.

Hard work. Strong leadership.
