

RON GROOMS says
he's OUR State Senator.
But he's spending our tax dollars on vouchers
for private schools in Indianapolis.

RON GROOMS put Tony Bennett and special interest backers ahead of Southern Indiana kids.

Ron Grooms put Tony Bennett's failed education policies ahead of kids here in southern Indiana. He voted to cut funding for our local public schools and then spent OUR tax dollars on tuition for private schools in Indianapolis, Gary and other parts of the state.¹

Indianapolis, Gary and other big towns have State Senators to represent them. Ron Grooms was elected to represent US.

OUR State Senator should be more concerned about OUR kids.

RON GROOMS
