My biggest criticism is with the Evangelical Church. GraceCC, E91, College Park, Northview, etc...you all should be ashamed!

This was considered necessary in order to enter into heaven. Sin is not allowed according to scripture. I didn't make the rules.

@indystar @joshdrivershow Please write about your blatant anti Christian advocacy. You all should have to register as lobbyists for HJR3.

According to Lilly and Cummins talent doesn't exist outside of the gay community. Look at the criticism that Black Pastors took yesterday.

THE CRITICS AGREE— MIKE DELPH'S GREATEST TWITTER HITS ARE A WASTE OF INDIANA'S TIME.

Mike Delph's Twitter tirade isn't just a waste of time, it's an embarrassment for the people he's supposed to represent.

When **Mike Delph's anti-civil unions bill failed** in the Senate, he went on a two-day angry Twitter tirade that was so bizarre and over the top, his fellow Republicans stripped him of his leadership position. Delph sent dozens of tweets from his account, arguing with constituents and railing against what he called a **"Godless culture."**

Senator Delph fought for his unnecessary bill, then argued with constituents on Twitter for two days. **We can do better.**

DO BETTER THAN DELPH. VOTE JD FORD FOR STATE SENATE.
